#### Empower Communities and Foster Self-Organization

Support communities, particularly in developing countries, to achieving self-reliance by building their capacities, strengthening local governance, and enhancing access to knowledge, skills, and sustainable resources.

#### Promote and Preserve Cultural Heritage

Cooperate to protect, preserve, promote, and revitalize all tangible and intangible cultural heritage, recognizing it as a shared legacy of humanity that unites globally.

#### Encourage Youth Participation and Leadership

Implement to youth engagement through initiatives that build leadership, promote civic participation, and foster a sense of identity, purpose, and responsibility toward their communities and the world.

#### Advance Sustainable Development Goals (SDGs)

Collaborate on the implementation and promotion of the UN 2030 Agenda by identifying, developing, and executing projects that align with the SDGs and promote inclusive, equitable, and sustainable growth.

#### Promote Social and Youth Entrepreneurship

Support innovation and entrepreneurship among youth and social groups in their inclusive economic development and address local and global challenges creatively and sustainably.

#### Facilitate Knowledge Exchange and Mutual Collaboration

Encourage the sharing of expertise, data, and resources among partners to promote innovation, research, and the resolution of all current developmental challenges.

#### Encourage Cultural Exchange and Community Participation

Promote intercultural dialogue through events, educational programs, and cultural exchanges that strengthen mutual respect, local identity, and authentic community participation.

#### Build Networks for Global Cooperation

Establish partnerships across governments, academia, civil society, and youth organizations to drive joint initiatives that foster peace, human rights, and sustainable progress.

#### Exchange of Information and Expertise

The Parties shall share relevant information, research, best practices, and expertise to their respective fields of work to enhance the effectiveness of their respective programs. This may include joint research projects, knowledge-sharing sessions, and capacity-building activities.

#### Joint Initiatives and Programs

The Parties may collaborate on joint initiatives, projects, and events to foster youth development, social entrepreneurship, indigenous peoples' empowerment, environmental cooperation, climate change mitigation, disaster risk reduction, and achieving the SDGs. Such collaborations shall be based on mutual agreement, available resources, and the alignment of objectives.

#### Access to UNESCO Special Consultative Status

UNDP agrees to enable participation in UNESCO to attend and participate in UN meetings, conferences, and events relevant to both organizations' missions and objectives.

#### Reporting and Monitoring

The Parties shall maintain regular communication and provide progress reports on collaboration.

whereas, the undersigned, the President of the United Nations Development Programme (hereinafter referred to as "UNDP") and the Secretary-General of the United Nations Educational, Scientific and Cultural Organization (hereinafter referred to as "UNESCO"), have signed this MOU in New York, New York, on the 14th day of October 2021.

#### Duration and Termination

This MOU shall be effective from the date of its execution by both Parties and shall remain in force for five (5) years. Either Party may terminate this MOU by providing written notice to the other Party at least 90 days in advance.

#### Governing Law and Dispute Resolution

The laws of the member states of UNDP and UNESCO shall govern this MOU. Any dispute arising out of or in connection with this MOU shall be resolved amicably through negotiation and mutual agreement between the Parties.

#### Confidentiality

The Parties acknowledge that confidential information may be shared between them during their collaboration. Both Parties agree to maintain the confidentiality of any sensitive information received and shall not disclose it to any third party without prior written consent.

#### Intellectual Property

Any intellectual property rights arising from any initiatives or projects shall be jointly owned by the Parties and shall be used for the purposes of the MOU. The Parties shall maintain ownership, control, and protection of intellectual property rights related to collaboration activities.

#### Financial Arrangements

Both Parties shall be responsible for the financial arrangements and costs incurred concerning the collaboration. Any shared costs shall be agreed upon in writing. The Parties may request reimbursement for costs incurred in each other's jurisdiction and shall be responsible for such costs.

#### Publicity and Communications

The Parties may jointly publish their collaboration through mutually agreed upon channels, such as press releases, social media, and official websites. Any public communication regarding the partnership shall be made in consultation and with the consent of both Parties.

#### Amendments and Waivers
